

# Numbering Attachments

## Glass platens

1/4" tempered glass platens are available with or without backlighting for the NumberPrinter. Backlighting is not available for the Slider. Both platen styles are designed as quick release tops that can interchange without tools onto a mounting post.

Platens Size	NumberPrinter	Slider
Sleeve	6" x 8" split 3" per side	3" x 8"
Youth	10" x 14" split 5" per side	10" x 14"
Standard	14" x 14" split 7.5" per side	14" x 14"
Oversize	14" x 18" split 7.5" per side	na

## Prestretched screen frames

All screens for the Brown numbering systems are stretched with 86 mesh.

Frame Size	NumberPrinter	Slider
Standard	22" x 46" OD	8" x 18" (packs of 10)
Harco original	19" x 43" OD	na
Double digit	na	18" x 18" (packs of 6)

## Slider Carousel Kit

This system mounts easily on a manual carousel. With the carousel kit you can print 2 color, teen digits and sponsor names.

SL-2002CK Includes:

- 1 Box o' Numbers. 20 single digit frames & 2 double digit frames
- Master Frame with pin locators.
- Artwork PDF file. This includes 4", 6", 8" & 10" 2 color athletic block.

## Box 'o Numbers

Slider frames are stored in handy screen racks. One style box will hold 20 single digit and 2 double digit frames. The other box style will hold 12 double digit frames.

## Font styles available

Slider screens are processed within your facility and the machine comes with Athletic Block PDF files for easy print and shoot. Additional font styles are available.

<b>9</b> Athletic Block	<b>9</b> Three Line Soccer	<b>6</b> Athletic Shadow	<b>8</b> San Diego	<b>8</b> Helvetica	<b>6</b> Drop Shadow
<b>5</b> All Star	<b>7</b> Outline Shadow	<b>8</b> Slant	<b>4</b> Plain Block	<b>0</b> Lacey	<b>5</b> Jacksonville
